10:15-11:45 am

**Lucas Patzek, Napa RCD*

Discussion - all

At the January and March meetings, we talked about each county could start a conversation about county- wide resources and needs. Since Napa is just finishing this up, Lucas agreed to review that process with on May 22nd. The Committee will then discuss how other North Bay counties might follow Napa's example.

As preparation for the meeting it would be good for participants to review the meeting summary from March available here.
